64th ANNUAL SPRING MEETING

PLANNING COMMITTEE

James Bond, President

Garth Warnock, Program Chair

PROGRAM OBJECTIVES

The British Columbia Surgical Society is a forum for academic and community surgeons in BC to present papers on current clinical experience, innovations and research. It is also a forum for surgical residents from the surgical resident training programs to present their research and compete for a research prize.

The target audience is national and international general surgeons who present clinical and basic science research material in lecture and podium form. Standard podium presentation is 10 minutes, and 10 minutes for discussion. The papers are peer reviewed.

ACKNOWLEDGEMENTS

The BC Surgical Society acknowledges assistance in the sponsorship of the visiting professor by the Royal College of Physicians and Surgeons of Canada.

The BC Surgical Society also acknowledges the unrestricted financial support from the following sponsors:
